Phone No - 7829401605

Email Id - anshu099.agrawal@gmail.com

Github Id - anshu099

IT professional with over **2.6 years** of work experience in **Web Application Framework Development** & currently working in **LG Soft India** as a **Senior Software Engineer**.

Objective:

Seeking a position to utilize my technical and leadership skills and abilities in the Information Technology Industry, a job where growth prospects are unlimited and individuality is recognized by work, and to achieve professional satisfaction by meeting higher responsibilities and involving in competent work areas.

PROFILE SUMMARY

- Experienced in OOPS implementation with JavaScript and Enyo for developing and delivering projects.
- Have good exposure and experience in Web Application Framework Development using HTML5, CSS3, and JQuery.
- Experienced in developing projects using MVC techniques.
- 6 months Onsite Experience for Web Application Framework support.
- 2 months Onsite Experience for Reference Application (File Browser) development.
- 6 months industrial training in Advanced Computing.
- Sound knowledge of porting Web Application in Android phone and debugging using Web Inspector.
- 3 months project experience in Java (JSP & Servlets) and Oracle.
- Worked on technologies like Less.js and Node.js
- Efficient in debugging node application using Node Inspector.
- Experienced in creating Web application using Worker thread which increases performance.

TECHNICAL SKILL DETAILS

Programming Languages	C, C++	Have relevant experience in programming and debugging applications on windows and linux platform
	Java	Undergone 6 months training in Jsp, Servlets and Core Java
Scripting Languages	Javascript	Have sound knowledge of JavaScript
Web Designing	HTML5, XML, CSS3, JSON	Expert with relevant experience in developing applications using these technologies
IDE	Sublime text , Visual Studio 2010, Netbeans	Created applications using all these environment.
Libraries/ Frameworks	Enyo, Backbone.js, Waffle, JQuery.	Experienced in developing applications for Phones and TV with these libraries
Compilers/ Parsers	GCC, SAX Parser	Experience in working on both Linux and Windows Compilers and also XML parser
Other Tools/ Software	Tortoise SVN, Tortoise GIT, CLM, Gerrit, Github	Have working knowledge and relevant experience in working with the user interface of these applications
Operating Systems	Windows, Linux	Good understanding and experienced in developing software applications and debugging

AREAS OF INTEREST

- Web Development.
- C /C++ Programming
- Data Structures

EDUCATIONAL QUALIFICATIONS

EXAMINATION	BOARD	YEAR OF PASSING	PERCENTAGE	INSTITUTION
PG-DAC	CDAC, Pune	2012	74.32	ACTS, CDAC, Chennai
B.E.(CSE)	C.S.V.T.U, Bhilai	2011	75.4	CSIT,Durg
12 th (Maths)	C.G.B.S.E	2007	68.2	Career Public School, Korba
10 th	C.G.B.S.E	2005	77.8	Career Public School, Korba

PROFESSIONAL EXPERIENCE

LG Soft India Private Ltd, Bangalore (Aug 2012-Present)
Software Engineer - R&D
Software Lab India - LG Electronics

Current Project: - Web Application Framework Development for LG Products.

Description:

Web Application Framework is a Software Framework that is designed to support the development of Dynamic Websites, Web Applications, Web Services, and Web Resources.

Web Application Framework aims to develop a common framework which can get utilized in LG products like TV's, Mobile's and Smart Watches.

It gets used by any application developer to port their applications in different environment.

We are using Enyo language to create our framework which gives developer an ease to create complex applications.

Responsibilities:

- Developing reference application following the best practices of framework.
- Developing the UI as well as Non-UI components based on the Client requirement.
- Bug Fixing and Implementation of Change Requests from the Client
- Worked on customizing UI component at runtime using less.js library.
- Worked on stabilization of framework for the LG products.
- Analyzed the performance of the code and optimized whenever it is necessary.
- Fixed bugs in the previous code base and optimized the same.
- Testing the sample applications in each and every environment.
- Worked on creating client and server applications also.

Technologies: Html5, CSS3, JavaScript, Enyo, JQuery etc.

Onsite Travel:-

A. Korea, Seoul (September 2013 - December 2013)

Client: LG Electronics, Seoul.

B. USA, California, Silicon Valley, Santa Clara (April 2014 - June 2014)

Client: LG Electronics, Silicon Valley Lab.

C. Korea, Seoul (November 2014 - January 2015)

Client: LG Electronics, Seoul.

Responsibilities:

- Co-work and Co-ordination between LGE and LGSI for Framework enhancements.
- Developed Service component like RSS and OAuth for application support.
- Fixing bugs of Enyo Framework to make it stable for recently released LG WEBOS TV.

VISA

- USA Visa (B1/B2 Visa) valid till 07 April, 2024.

ACHIEVEMENTS

- Won “Best Effort Award” for making sincere attempt to work on new technology (i.e. Enyo).
- Won “Key Contributor Award” for outstanding contribution in framework team to meet customer deadlines and needs.
- Won “Bright Spark Award” for submitting brilliant ideas for LG mobiles.
- Played as a part of Pinch Hitters Team and won “LG Premier League” cricket cup.

@C-DAC Chennai:

- Done Stand-alone as well as Web development on Windows and Linux platforms
- Worked majorly in C, JavaScript, Data Structures and Java (Core and Advance).

C-DAC Project:-

Online Shopping Management - The main aim of this project is to maintain the details of customer payments, product receipts, addition of new customers, products and also updation, deletion for the same.

This is a web application used by a company to sell products through internet. Customer can select and place order for products, which are then delivered to the customer. Upon the delivery of the product customer is expected to pay.

Technologies: Java (Jsp, Servlets), Oracle

B.E. Project:-

Bus Transportation System - This project is an application used for accounting, bus information, employee information and other information (in Rs.) about purchase, sales and maintenance purpose.

It's basically a record collection of all money transactions, expenses, daily income and expenditure of the company.

Technologies: C# (Dot Net).

PERSONAL PROFILE

- Gender: Male.
- Languages known: English, Hindi.
- Date of Birth : 19-08-1989
- Hobbies: Touring, Reading books.
- Passport Number: K5486667
- Date of Expiry: 22 July 2023
- Temporary Address: Flat No—D-101, Aakruthi Sunshine Apartment, Near Papa Jones, Kadubeesnahalli. Pin- 560103.
- Permanent Address: Plot No. 372/73, Behind Vijaya Talkies, T.P.Nagar, Korba (Chhatisgarh)
